

Atamis Registration Email — ZEUS AI Intelligence (NHS Health ID Wallet)

ATAMIS REGISTRATION EMAIL — NHS England eCommercial (draft)

Why: Atamis is the NHS England eCommercial supplier portal. The meeting deck references supplier registration; this email either (a) follows your Atamis account creation to confirm onboarding, or (b) is the engagement opener to NHS England Commercial once registered. Two variants below — use the one that matches your stage.

Variant A — sent AFTER you create the Atamis account (recommended)

To: england.supplier@nhs.net **Subject:** Supplier registration complete — ZEUS AI Intelligence (NHS Health ID Wallet, pilot-first)

> Dear NHS England Commercial Team, > > I am writing to confirm that ZEUS AI Intelligence (JDB Sales) has registered as a supplier on the NHS England eCommercial portal (Atamis) and would welcome engagement with your team. > > **Who we are** > ZEUS AI Intelligence is a UK company (ZEUSTRUSTAEGISSECURITY LTD, Company No. 17391549, 66 Paul Street, London EC2A 4NA). We develop a sovereign NHS health identity solution — a patient-owned ID wallet and physical card secured by our own AEGIS AI Security product — as a pilot-first proposition. > > **Why we are contacting you now** > - We are building our compliance position before any public promotion: DIATF alpha design (gamma 0.4), OfDIA/ICO pre-notification sent, DPIA in progress, both approved CABs (BSI and Kantara) engaged. > - We wish to align with the correct route to market: best-fit framework (SBS10521 / G-Cloud 14), the DSPT / DTAC / DARS pathway for a pilot trust or ICB, and DAPB3051 identity-verification standards. > - We would welcome a short conversation with the relevant commercial or digital-identity lead, and are ready to provide our compliance position and product details under appropriate arrangements (NDA available on request). > > An executive summary of the proposition is available on request, and our 1 October briefing deck summarises the partnership model. > > Kind regards, > > **Darren Birch** > Founder & Developer, ZEUS AI Intelligence > ZEUSTRUSTAEGISSECURITY LTD (Company No. 17391549) > jdbsale3@gmail.com · 01922 445318 · X: @jdbsales3

Variant B — pre-registration engagement (if you have not yet created the Atamis account)

To: england.supplier@nhs.net **Subject:** Pre-registration enquiry — ZEUS AI Intelligence (NHS Health ID Wallet, pilot-first)

> Dear NHS England Commercial Team, > > I am Darren Birch, founder of ZEUS AI Intelligence (JDB Sales), a UK company. We are developing an NHS health identity wallet — a patient-owned identity solution secured by our AEGIS AI Security product — as a strategic, pilot-first product. > > Before completing our supplier registration on Atamis, we would welcome guidance on: > 1. The correct supplier onboarding path and any commercial briefings available > 2. Best-fit framework and the letting/opportunity calendar (SBS10521 / G-Cloud 14) > 3. The DSPT / DTAC / DARS pathway for a pilot trust or ICB > 4. Alignment to DAPB3051 identity verification & authentication standards > 5. The SME Advisory Group and relevant contacts > > We are not yet publicly promoting the product; we are building our compliance position and would welcome a conversation with the relevant commercial team. > > Kind regards, > > **Darren Birch** > Founder & Developer, ZEUS AI Intelligence > ZEUSTRUSTAEGISSECURITY LTD (Company No. 17391549) > jdbsale3@gmail.com · 01922 445318

- [] (Optionally) NHS-10ct-Call-Deck-ZEUSTA.pdf — or wait and send after the call

Atamis portal reference

- Portal: <https://atamis-2463.my.site.com/s/welcome>
- Account: create supplier profile → complete registration → set tender alerts for "identity", "wallet", "DAPB3051"
- Keep the portal reference number from the confirmation email — quote it in Variant A if you have it

All IP belongs to Darren Birch — ZEUSTRUSTAEGISSECURITY LTD (administered by the Darren & Jill Birch Trust).
